BEER MENU

This beer menu tries to be as complete and accurate as possible. However, last minute changes are always possible. Please check the menu at the brewery stand for the most correct info.

Not all beers are available all the time. The beers presented in this menu are served in that order.

Breweries with kegs only will have 4 beers available, breweries with bottles or a mix of both might have more different beers available.

Last pour is at 21:30 on Saturday, 20:30 on Sunday!

Beers mentioned by **name**, **style**, **ABV** and **tokens**

(**Red** for 15cl pours, **Blue** for 8cl pours)

Share your love for the artisan beers of

BXLBeerFest

and tag us! **#BXLBF23** + **#SanteiBXL**

The breweries at **BXLBF23** are placed together on different 'islands'.

There are 8 'islands' with each a different colour and name. For the name we introduced a little piece of folklore from Brussels. We'll leave it up to you to find out what they mean!

Look for your favorite brewery by searching for the specific island & colour! Our separate festival plan can help.
